

CARSON FRAME

WORK EXPERIENCE

- 01/2017 to Current Stephen Noble News Intern
WUSF Public Media — Tampa, FL
Report and write content for the WUSF News website. Voice and produce daily news spots, wraps, superspots and features for air. Edit sound using Adobe Audition. Research local public policy issues and gather supplemental sound. WUSF Public Media is an NPR member station which serves audiences in 13 counties in West Central Florida, including the Tampa Bay area - a Top 20 market.
- 06/2016 to 08/2016 Production Intern for Death, Sex & Money podcast
WNYC Studios — New York, NY
Crafted engaging language for weekly e-newsletter. Transcribed episodes at various stages of production. Cut interview tape for promotional purposes. Curated social media content (e.g. articles, audiograms and quotables). Updated show webpage. Cataloged listeners' breakup stories for use in an episode. Organized interview prep documents for subjects like Sonia Sotomayor and Gloria Steinem. Cataloged sound clips to be used in opening credits. *Death, Sex & Money* is a nationally-recognized podcast that regularly reaches 1,000,000+ downloads per episode.
- 05/2016 to 12/2016 Production Assistant for Memory Motel podcast
Narativ, Inc. — Brooklyn, NY
Conceptualized and pitched Memory Motel's "Right to Oblivion" series, which *The Audit* named one of the Best Serial Podcasts of 2016. Shaped story arcs and provided editorial support. Edited audio using ProTools. Booked, scheduled and conducted guest interviews. Memory Motel is a narrative-style podcast which explores ideas about loss and the reliability of memory.
- 01/2014 to Current Editor
Driftwood Press — Tampa, FL
Select fiction pieces for publication in an online and in-print literary magazine. Send detailed structural critiques to authors and correspond with them throughout the publication cycle.
- 05/2009 to 10/2009 Volunteer Reporter
WMNF 88.5 FM Community Radio — Tampa, FL
Covered and produced local news stories about healthcare reform, green energy, LGBTQ pride, and other topics for broadcast on the WMNF Evening News. Researched topics and sources for future shows.
